**Subject: HCC Newsletter – Issue 2 (April 2020)**

On 29/04/2020, the Hellenic Competition Commission ('HCC') issued its second Newsletter, which presents HCC's activity during the current period (December 2019 - March 2020) as well as its forthcoming actions.

The Newsletter offers to the public systematic information on the HCC actions and covers the following:

- the HCC actions dealing with the effects of COVID-19,
- the completion of pending cases, and clearance of case backlog,
- the HCC "digital revolution",
- the HCC new structure,
- the HCC enforcement activity (merger control, acceptance of commitments, publication of previous decisions, sector inquiries and opinions),
- the HCC internal developments (HCC decision on case prioritisation, Code of Ethics and Cybersecurity),
- various external developments (Legislative Committee for the amendment of national competition law),
- the HCC cooperation (with other regulatory authorities and the civil society), and
- the HCC international initiatives.
